

Former Nassau County executive Suozzi endorses Solomon for school board

To the Editor:

As the former Nassau County executive and chairman of the New York State Commission on Property Tax Relief, I got to know Mike Solomon well, and believe he would be a great asset to the Bedford Central School District. I have always been a champion for quality public education and also believe that we need to address our serious property tax problem.

Mike served as a volunteer appointed by the governor on the New York State Commission for Property Tax Relief. Mike's judgment and ex-

perience were tremendous assets to the commission. He worked long hours and was highly regarded by all of the commissioners, and his dedication was evidenced by the fact that he attended every single public hearing held throughout the state.

I have a tremendous amount of confidence in Mike to do what is right for your district, and believe he will make a great member of the board of education. I encourage you to support Mike Solomon on May 18.

Tom Suozzi
